

# Free Picture Selection

**These pictures are a selection of the free grayscale pictures posted  
on my Facebook page:**

<https://www.facebook.com/downloadableshop/>

**Variations of these these and similar pictures will be used in my new coloring  
books featuring Elves, Fairies, fantasy people and places to be published later  
in 2020.**

Dear colorists and followers,  
although this PDF booklet is provided as a free download, please respect the copyright of  
the author, publisher and artist(s).

- You may use and create copies of this free booklet for personal use.
- You may share the website link where the free copy is located
- Please do not repost this PDF file on other websites or web pages
